8th Grade 2026-2027 Electives Selection Sheet

Name: _____ Student ID #: _____ Homeroom: _____

I understand that the administration will attempt to assign to me the electives of my choosing, but that these are not guaranteed. The administration has the right to make changes in students schedules and holds the final decision in the courses assigned. All FAST Level 1 & 2 students will take the required intensive reading and /or intensive math class in place of an elective. I understand that all selected courses are scheduled for the ENTIRE school year. I understand that every attempt will be made to honor the courses requested. I understand that some electives fill more quickly than others and conflict may prevent the scheduling of some classes. Students will remain in the same magnet strand for all of middle school.

Lastly, I understand the administration holds the final decision in the courses assigned.

Each student is eligible for four (4) elective courses. Please select up to five (5) elective courses. Number the courses in order of preference.
